PROFESSIONAL SUMMARY

Computer Science Engineering graduate with hands-on experience in Java, Spring Boot, React JS, and MySQL. Completed Java Full Stack Development training and developed full-stack and machine learning projects. Seeking an entry-level Software Engineer or Java Developer position to apply technical skills and contribute to organizational growth.

TECHNICAL SKILLS

Programming Languages — Core Java, JavaScript, SQL
Java Technologies — OOPs, Collections, Exception Handling, JDBC, Servlets
Frontend Technologies — HTML5, CSS3, React JS, Bootstrap
Backend Technologies — Spring Boot, JDBC, Servlets, REST APIs, CRUD Operations
Database — MySQL
Tools & Technologies — Git, GitHub, Maven, Postman, Eclipse, VS Code
Operating Systems — Windows, Linux Basics

EDUCATION

B.Tech – Computer Science and Engineering Sri Venkateswara Engineering College CGPA: 7.95	2024 Tirupati
Intermediate (BIEAP) Sri Chaitanya Junior College CGPA: 9.09	2020 Tirupati
SSC (BSEAP) Z.P High School CGPA: 8.0	2018 Andhra Pradesh

PROJECTS

AI Chat Service Portal Using Spring Boot and React JS

- Developed a full-stack AI chat application using Spring Boot and React JS.
- Designed and implemented RESTful APIs for handling user requests and chat messages.
- Integrated frontend and backend using Axios.
- Connected MySQL database for data storage and management.
- Implemented real-time interactions and user-friendly interfaces.

Face Forgery Detection Using Meta Deepfake Detection (MDD)

- Developed a deep learning model to detect manipulated images and videos.
- Applied meta-learning techniques to improve model generalization on unseen datasets.
- Implemented CNN-based feature extraction using Python, TensorFlow, and Keras.
- Evaluated model performance and improved detection accuracy.

INTERNSHIP

Java Full Stack Development Intern

VTech Integrated Solutions

- Learned Core Java, JDBC, Servlets, Spring Boot, HTML, CSS, JavaScript, and React JS.
- Developed web applications using Java Full Stack technologies.
- Gained practical experience in database connectivity and REST API development.
- Worked on frontend-backend integration and CRUD operations.
